Category 6A Staggered Patch Panel, Unloaded - 1U

Rack Mountable Staggered Patch Panel - C6A, 1U offers fast and reliable installation designed for 10G transmission requirement. The staggered design reduces Alien Crosstalk to support IEEE 802.3an and ANSI/TIA 568.2-D. Each port of the panel is numbered and has designated label area for clear port identification. Patch Panel includes mini cable ties, Cage nuts and rare cable management. The Jack to be ordered Separately.

Features

- 19" RJ-45 Patch Panel with 24 ports on 1U
- Staggered design reduces Alien Crosstalk
- Strain relief and cable management
- Grounding bolt included
- UL Listed
- Covered under 3C3® Product Warranty
