

COMPANY PROFILE

Empowering a Global Future of IT Infrastructure
Space with Passive Networking Solutions

WHERE IT ALL BEGAN

NOW

MESSAGE FROM CEO

Our diverse portfolio of high-quality products and services equips us to execute critical networking projects of any scale while ensuring minimal environmental impact. At the heart of our operations is a relentless pursuit of innovation, with our R&D teams driving advancements that prioritize energy efficiency, resource optimization, and eco-friendly solutions.

Looking ahead, we envision expanding our global footprint with sustainability as our guiding principle—delivering world-class offerings that promote responsible consumption and a greener planet.

Our core value system, rooted in integrity, accountability, and inclusivity, ensures that every member of our team is aligned with our vision. This commitment extends to creating a supportive and equitable workplace that values diversity and well-being.

With a clear focus on emerging global trends and the needs of tomorrow, we aim to remain ahead of the curve. Rest assured, our customized solutions will seamlessly support your transition into a sustainable and hyperconnected future. Together, we will be your trusted partners in building a world that prioritizes environmental stewardship, social equity, and strong governance.

MR. SUNIL KUMAR
Founder, CEO

ABOUT US

3C3 established in 2013 is one of India's leading structured cabling solution manufacturer actively driven under the 'Make in India' initiative of the Government of India, contributing meaningfully to India's global standing in innovation while fostering local economic development.

We have our manufacturing unit and corporate office in the heart of Bengaluru with sales offices across India. We have received 3 trademarked solutions for addressing end-to-end.

Our approach is centered on customer success. From startups to large enterprises, we tailor solutions that optimize operations, enhance productivity, and drive sustainable growth. With a team of experts, we ensure seamless execution, delivering impactful results.

Driven by the motto of 'Performance & Excellence,' we are committed to upholding our hard-earned reputation both locally and globally. Our foundation is built on a steadfast focus on exceptional customer experience and superior quality.

OUR MISSION

Enabling Core Communication needs with precision and futuristic thinking, we aspire to make it possible with our products, leading to resource optimization and eventually success.

OUR VISION

Our vision is to provide innovative high quality Certified Connectivity Products Designed for Interoperability, Convergence, Security, Emerging global standards & Cross industry needs for global market.

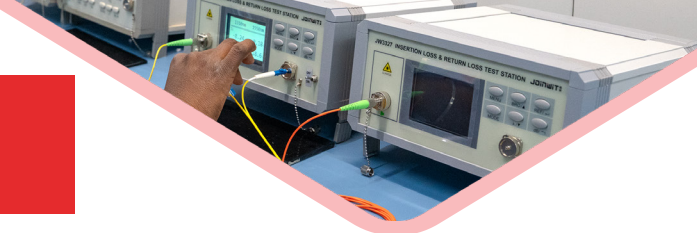

"Innovation and consistency drive long-term success. Stay ahead by adapting to industry changes, leveraging technology, and focusing on customer needs." - **MR. SUNIL KUMAR** | CEO
